

Overall Bottom Length: 5'10 1/4" (178.44 cm)

Tip-to-tip Deck Length: 5'9 5/8" (176.85 cm)

Maximum Width: 19 3/8" (49.21 cm)

Maximum Thickness: 2 7/16" (6.19 cm)

Displacement: 1.14 ft³ (32.2 L)

Introduced: April 2006

Available Rockers:

Designer Comments: This is an ideal "Grom" blank with medium volume. It has an excellent natural rocker which will also work very well in the 6'0P and 6'2P matched from the nose. A perfect hand shape blank that can also be used on the machine.
